THE CAUSE

For twelve years now, the Fox Valley Circuit Churches have been in partnership with the Senegal Mission initiative of the United Methodist Church in Senegal, Africa. Started in 1998, the mission has grown to 19 churches and nearly 1,000 members. Our support helps with Pastor salaries, church rent and programming for church growth. The Mission also has a staff which operates a clinic out of the church, feeds children through various nutrition sites and does wellness clinics in rural villages having no doctors available. The Mission targets women for help through a prison ministry and a Womens Skill Center where they teach women to speak French, restaurant level cooking and sewing so they may gain employment.

Also, a couple, Bill and Gwen Gibson, from Emmanuel UMC, visited Senegal in 2011, were inspired and were deployed in July 2012 as missionaries for Senegal. They have now returned to the U.S. and we want to support the mission and the work they are doing.

Yes, I will golf in the 12th Annual Charity Golf Outing on Wednesday, August 14th, 2024.

Enclosed is my check made out to "Emmanuel United Methodist" for \$50 to cover the cost of golfing, cart and food.
